

Sustainable growth at the chemical park GENDORF

SITE MANAGEMENT

Buildings and land

We have the right solution for your requirements on 200 ha of land and in roughly 100 buildings.

We will lease and rent space inside and outside of buildings at attractive terms. We make sure that you have access to the right space irrespective of whether you plan to set up production, operate a lab, or support our site customers with your services at the chemical park GENDORF. It goes without saying that we will also modify buildings to suit your needs.

The following lease and rental space is available:

- Workshop and production space
- Office space
- Lab space
- Warehouse space
- Community rooms
- Greenfield space
