

Subsustainable growth at the chemical park GENDORF

LOGISTICS

Tank storage/ liquid product transfers

We plan, erect, and operate your dedicated storage tanks and customer storage tanks, as well as loading and unloading facilities at the chemical park GENDORF.

Benefit from the experience of our experts for your tank storage logistics. We are available as your partner from the planning and erection phases of tank farms to the associated loading and unloading facilities, including staging and storing your products in warehouses operated by InfraServ Gendorf.

Our services:

- Plan and erect
 - warehouse tanks
 - loading and unloading facilities (driver self loading system)
- Operate in-house storage tanks and customer storage tanks
- Load and unload tanker trucks and tanker railcars
