

High-performance IT security & digital infrastructure solutions

IT CLOUD SERVICES

GENDORF Cloud Consulting

Given the increasing digitalization as a background, your business model will require adjustments to be made as quickly as possible. We will assist you in designing and operationalizing your cloud strategy.

We know the answers to your challenges. The "GENDORF Cloud" services give you the ability to tap into all benefits of the latest on-demand solutions, therefore providing all degrees of freedom for stepping into the cloud age. As the link between various cloud worlds, GENDORF Cloud Consulting offers both, an assessment and the effective use of traditional IT infrastructures as well as integration and interaction with new cloud services.

Our services:

- Support for selecting the cloud model best suited for your needs
- Prepare cloud concepts for your IT infrastructure
